

RETAIL LEASING OPPORTUNITIES

OVERALL PROPERTY HIGHLIGHTS

TRANSIT PROXIMITY

Directly connected to Ogilvie Transportation Center; steps from Union Station, across the river from all major 'L' lines, and a water taxi stop right on site.

PROTECTED CHICAGO RIVER VIEWS

Situated along 400 linear feet of the Chicago River with unobstructed river views.

WEST LOOP LOCATION

Chicago's dominant office submarket, accounting for over 43% of total leases signed in the Chicago CBD over the last 2 years.

TWO EASY

THE BEST LOCATION TO CAPTURE FOOT TRAFFIC

Centrally located, highly walkable, and directly connected to the city's commuter traffic.
Why be anywhere else?

IN THE HEART OF THE ACTION

A West Loop location in Chicago's central business hub places you near plenty of office buildings, attractions, and riverfront activities.

EASY ACCESS

Across the river from major 'L' train stations, connected to Ogilvie Transportation Center, steps from CTA bus lines on Madison Street, and a Water Taxi stop right on site.

TRANSIT FRIENDLY

A 98 Walk Score and 100 Transit Score means your storefront is a pedestrian magnet.

A BETTER WAY TO PASS THROUGH

Located within the lively concourse linking Riverside Plaza and Ogilvie Transportation Center, The Pass is where office workers, commuters, and visitors naturally pass through. With high visibility and constant activity, this new food and retail experience presents a unique opportunity in one of the city's busiest corridors.
